

## 44<sup>th</sup> Annual Illinois Performance Tested Bull Sale

---

### Interpreting the Trait Codes for Bulls

On the far-left side of the bull listing are a number of codes used that many producers might find of value when selecting their herds sires. A summary of these codes include the following:

#### First Column

Number — *1 through ...*

Breed— ANG (*Angus*), SIM (*Simmental*),  
POL (*Polled Hereford*), RA (*Red Angus*)

Age— Sr. (*January 1 through November 30, 2010*), and  
Yr. (*December 1, 2010-March 31, 2011*)

Birth Date — *Month/Date/Year*

#### Second Column

Color—*Blk (Black), Red, Etc.*

P/S/H—Pol (*Polled*), P/S (*Polled/Scurred*), and Hrn (*Horned*)

Purebred/Percentage— PB (*Purebred*), 1/2, 3/4, 7/8, etc. (*Percentage*)

ET/Twin— ET (*Embryo Transfer*), Tw (*Twin*)
